

RB32 TWIN SLOT SYSTEMS

This market leading slotted channel and bracket system is available in various lengths, projections and core colours. RB32 Twin Slot is a versatile modular system, making it a natural choice for DIY enthusiasts and trade professionals.

Manufactured from heavy gauge steel RB32 is tested to exceed rigorous engineering industry standards and can be trusted to meet demands for considerable load-bearing performance. Coated in polyester paint, RB32 Twin Slot system is impervious to most commonly encountered chemicals and solvents.

RB32 Twin Slot System is specified by hospital trusts, libraries, schools and is distributed by leading DIY retailers and builders' merchants.

Choose from our exclusive range of Twin Slot kits, featuring countless applications and a tailored range of accessories. This is the perfect space-saving solution to meet your needs, offering multiple configurations to compliment any space. Suitable for any room, including laundry/utility room, office/study, workshop/garage and wardrobes.

The HangTrack system utilises a unique horizontal rail that is fixed to the wall by screws onto which the Twin Slot channels are hung. Hang Track enables easy application prior to fixing and makes excellent use of your space. This system is ideal for loading in domestic settings where only a few screws and basic DIY skills are required.

- Exceptional load-bearing capacity
- Choice of colours (special colours/POA)
- Fully adjustable bracket positions
- Easy installation
- Resilient painted finish

“The Twin Slot System manufactured by RB UK is stocked by large DIY retailers and national builders’ merchants”.
