

# BIO-COAT: ANTIBACTERIAL COATED TWIN SLOT SYSTEM

Bio-coat shelving system offers the complete functionality for more stringent requirements. Bio-coat Twin Slot is coated in an antibacterial paint making it a safe choice in hospitals, pharmacies, laboratories and industrial clean rooms. Its durable finish provides a clinical and clean surface.

Choose from individual loose components or kits for specific applications. These kits can be tailored to include wire and steel shelves, clothes rails and hooks are available. This flexible range can be tailored to meet the expanding needs of your customer.

The system utilises brackets from the popular RB32 Twin Slot Range and wooden or glass shelves from either The Trend or REI ranges.

- Basic easy-fit DIY solution
- Flexible, adjustable storage
- Wide range of accessories and choice
- Consumer-centric product

*“A simple, easy way to install shelving into hospitals, schools, pharmacies, laboratories and utility rooms”.*
