

FUNCTIONAL SHELVING SYSTEMS

RB UK's industry leading comprehensive range includes light weight boltless economy racking all the way through to our premium brand:

RB BOSS is a robust range of 35 units featuring impressive weight loading characteristics and enduring quality.

Complementing the RB Boss range of racking is our extended offer of workbenches, tyre racks and tool storage solutions providing choice to the retailer and to the consumer. Tool storage panels can be wall mounted and are supplied complete with a selection of hand tool mounts. RB UK also provides the retailer with individual blister packs of wall mount fixings that can be bundled with the panels for convenience to the consumer.

- From 45kg to an impressive 800kg weight loading capacity per shelf (UDL)
- Free standing and boltless
- Red and black powder coat or Galvanised finish
- Range includes heavy duty racking, workbenches, bolt together tyre racks and tool storage to suit all requirements

Independently tested by Zurich engineering.

“More choice, excellent quality and market leading load-bearing capacity of up to an impressive 800kg”.
